

PROPOSED LOWER GROUND FLOOR PLAN

M 1:100

CONDITIONS OF USE OF THIS DRAWING

- This drawing, the design and contents contained herein are copyright, all rights reserved, no part thereof may be copied or reproduced partially or wholly in any form whatsoever without the prior written consent of the copyright owner LDC Development & Construction.
- The client is granted a copyright license to use this drawing and its contents for the purpose of which the drawing was prepared.
- No part of the drawing, design or contents may be used for any other purpose without the prior written consent of the copyright owner LDC Development & Construction.
- This drawing is to be used only for the purposes for which it is prepared. The drawing is not to be relied upon for construction purposes and no implied or expressed warranty is given as to the accuracy or completeness of the drawing or its contents for the construction purposes.
- All contractors, whether main or sub-contractors, must read the site and are responsible for taking account of all relevant information in the drawing and any other information which may be relevant to the work. All contractors must be brought to the attention of the Architects who shall issue a written instruction as to which information is to be followed, and shall retain liability for any work carried out on foot of the instructions that is inconsistent.
- References to national standards, whether British (BS) or otherwise, or codes of practice (CP) shall be deemed to refer to the relevant standard or code current at the date of issue of the drawing and shall apply in preference to the contrary in any other drawing.
- All drawings, components and products to be installed must be manufactured to the standards specified in the drawing. Contractors to ensure that any drawings for all products are specified in the drawing drawings to be submitted to Project Architect for approval prior to construction.
